=ear Chairman,
=0A=
=s you know we had a meeting earlier with Ken, Ian and Portland Communicati=ns. We all agreed that we have to get in touch with the Norwegians and mak= sure, again, that they understand that FAH will not be leaving Yemen and =o impress upon them that a trial in Yemen is the only option available to =hem for justice. However, Plan B, should be to look into the feasibility o= a trial in Norway and only when this has been examined and researched wil= they propose it to their Client, FAH.
=0A=
=hat transpired and what we have to concentrate on, at the moment, is as fo=lows; =. Ian Burton will need a formal letter from the Ministry of Justice, pre=erably signed by the Minister himself or a senior member of the Ministry, =hat would state that; = * Yemeni Authorities will allow/accept a trial to be held in Yemen.
= * What role will the British Authorities have in this process and what wi=l be needed from the British authorities for this (File on the Case held b= the CPS e.t.c).
= * The process will be completely transparent.
= * If found guilty, what is the range of sentencing and where will the sen=ence be served.
= * The Yemeni Embassy in the UK must be on board with this so that they ca= answer questions from the media when this comes out into the open.
=. When approaching the Norwegians, Ian and Ken would want to speak on beha=f of not only FAH, but also on behalf of the family in that they are also =epresenting the family in trying to mitigate a way forward in this matter.= =. It is very

important for them to get a psychiatric report on FAH by an I=ternationally recognised and reputable psychiatrist. A Yemeni or Egyptian =sychiatrist may suffice for this.

=. They are asking for the remaining items to do with this matter from Pete=s and Peters.

=ortland Communications will be sending us a proposal on exactly what will =e needed for us to combat the negative articles and publications online. T=ey have also asked for the details of Mr Shaher's charitable activities so=that this may be used by them in future. I think its best to see what the =uestionnaire/proposal they come up with before we can see how it fits with=our Group ethos.

=0A=

= proposed that after we have provided them with the above, they may wish t= communicate with the Norwegian through Bondevik and Einaar who have been =nvolved in this from the beginning. You may disagree with this and opt to =o with the recent Parliamentarian delegations that met in Rome for the ICC=discussions. Both ways will achieve the same goal to get in touch with the=family.

=0A=

=any thanks.
