Subject: OGara GIV

Jeffrey,

I spoke to John Foster with the OGara GIV regarding his GII engine he is trying to sell. During our conversation I mentioned we are going to purchase a GIV with several options offered to us at \$5.7M and requested his lowest number on 1062. He told me a low 6M number would be entertained since the owner is flying a Falcon 900 currently and is moderately motivated since his recent price reduction of \$1M proves this, current ask is \$6.9M..

Just fyi

Thx

Larry
