Subject: again me..:)

Dear Jeffrey,

I received the letter from Kobido office. it appears I will only be registered once I complete my payment. Unfortunately , they don't have a deadline, I thought i can wait till New Year..but once the class is filled they won't be able to accept any new registrations.

Its very hard for me to bother You with all these things...so sorry...If something have changed regarding your decision to pay for it I really do understand!

Big kiss and Love!
