We have stoped the back and forth - d=scussed with attorneys everyone has what they need - pen down on this=issue - no one has any issues I appreciate your concern but if da=id needs something let him come to me - why he has you in the middle I do n=t understand
He has all the support info he needed for the b=nk - no one has hid anything every cost has a line item with a description n=xt to it. David has this Let's move on

What I don't understand is why your involved over th=s issue and seem to take me to task when I'm the only one driving t=is project to completion- I'm the only one driving punch lists for m=nths —not only the bank needs and tco - which at one point a few we=ks ago might have had exposure of 2mm - which is down to almost complete&nb=p;

I'm the one here daily like now -today --driving lighting contractor and others to finish projects - so we can make a=Dec 2 tasting and finally open to the public

the hotel mgmt is a disaster yet dav=d does nothing to solve the issues yet it seems like the only issue that yo= review for david is material that david has been given several times =/div> I don't get it ?.
