Philippe Han says a call with all 3 today (Philippe, Cliff and =hristina) will unfortunately not work...he hopes that the email that =as forwarded to you with the Excel spreadsheet will help bring some =larity to the situation and what they have been able to accomplish for =ou. He was hoping he could speak to you today, even if briefly and =lone, about the information...

That being said, they can work on getting a time together for tomorrow =hat will be good for all 3 of them..I suggested looking at between =1:30-1:30EST.

Would you like to try to set up a call tomorrow with all 3 of them =uring this time period=?xml version=.0"
