I think Rachel(the first ar=icle author) is the best for that. within the few months it was a few peopl= tried to make her remove that article and threatening her and her family b= messages every day. bothering every of her family member and even her moth=r co-workers to make her remove that article. long story I can tell you som=time

It took some persuasion to make her kee= it and she ended up keeping. it was brave of her. but now she is super loy=l and I can trust her

some more things are on the w=y. the circle is longer than I wanted - a reporter submit article, editor d=esn't approve etc. was like that with Forbes, Wired, Entrepreneur.

I don=t like to bother about the process, just keep pushing towards results. it t=kes some time and patience

anyways it all m=kes me want to fix it and have beautiful search under your name in Google e=en more
