Do you like this wardrobe, dresser=and side tables for [REDACTED] bedroom? It comes in the charcoal stain as well as the lighter shell stain. I think the charcoal looks great with the wood floors. I know [REDACTED] said she can use more closet space, which the wardrobe has a hanging bar as well as the drawer space. All these items in Charcoal stain are in stock and can be delivered next week on the 22nd if you like them. The dresser and wardrobe would both fit on the wall opposite the bed.=AO

The lighter stain, "shell" would be available in the warehouse by Jan 22nd, then could be scheduled for delivery after that date.

Thoughts?
