because I have had to defend you, and very ver= strongly. not to david. . I am firmly in yo=r corner . I prefer you not get in trouble. =so as you guys refuse to send lists but only say , weve sent t=em before is a very bad image. howie is leading you there.♦=A0 . withholding details , specifics where the checks are writ=en to . and for how much and exaactly for what will keep you a= safe as I can. each time saying we ve done this , befor= youve seen this, instead of a lawyer saying here =t is. any other questions. is madness

We have stoped =he back and forth - discussed with attorneys everyone has what=they need - pen down on this issue - no one has any issues

I app=ecciate your concern but if david needs something let him come to me - why =e has you in the middle I do not understand

He has all the=support info he needed for the bank - no one has hid anything every cost h=s a line item with a description next to it. David has this L=t's move on

What I don't un=erstand is why your involved over this issue and seem to take me to task w=en I'm the only one driving this project to completion- I'= the only one driving punch lists for months —not only the bank ne=ds and tco - which at one point a few weeks ago might have had exposure of=2mm - which is down to almost complete

I♦=80♦m the one here daily like now -today - driving lighting contractor an= others to finish projects - so we can make a Dec 2 tasting and finally op=n to the public

David does nothing but proc=astination on any item given to him can't make a decision ever - d=es not answer emails from others - never answers the phone - </=iv>

the hotel mgmt is a disaster yet david does nothing to solve=the issues yet it seems like the only issue that you review for david is m=terial that david has been given several times

I don♦=99t get it ?.
