you told me it was for mid feb. so i planned as such. <=div>

yesterdays email pissed me off b/c i have put in time a=d was making headway according to what we spoke about despite honoring you= wishes for me not to speak to sarah and not knowing who the hell i am all=wed to contact. I have 6 places and one person so far but need to get in contact with =er.

i want to help and i need help. but i	d like to be clear on the parameters so i don't feel like i am const=ntly recoiling every time you speak to me like a douchebag.
if we can be clear we can really work together. please, je. meet=me in the middle here for both of us.

i'll do what i can for you for now an= see what i can dig up for your feb return. not b/c i don't want to=disappoint you. just because i have already invested energy and it woul= be stupid to not pursue it now.

just keep your money. dont buy a table yo= don't want.
they are the few assets we have and our =ime is so crunched -i'd rather put my heart into the piece for someone=who was actually going to own it and not have to lie to my biz partner. =A0i would lose money if i made the table for you and spent so much time do=ng this too.

if you decide i can talk to sarah, then we can ch=nge the way this all works out for both of us.

if you want to help me and send me money, great. i can ev=n give you a real revenue note - we had legal docs drawn up.

but if you want to help me with alternative terms then =ow you need to say if i should keep going or not. i need to keep the bu=iness separate from this. it's important. and smart. and i have = partner.

words. yes. but i am not like other p=ople. i'm admittedly confused by ambiguity and weird punctuation. But =ometimes i say something good.
