Hi,

I hope you've=now recovered from the two hurricanes.

=C2 You said during our phone call that you were inclined to h=lp black mathematicians. Chalkdust =span style="color:rgb(29,33,41);font-family:Helvetica,Arial,sans-serif;font-size:14px">Magazine announced in The Guardian newspaper that it would be profiling mathematic=ans for Black History Month in the United Kingdom. They published an essay=they had asked me for, writing, "Today, we have a fantastic article b= Jonathan Farley!"
