We ha=e stope the back and forth - discussed with attorneys everyone=has what they need - pen down on this issue - no one has any issues I appreciate your concern but if david needs something let him come to me= - why he has you in the middle I do not understand

He has a=l the support info he needed for the bank - no one has hid anything every c=st has a line item with a description next to it. David has this &nbs=; Let's move on

What I don't=understand is why your involved over this issue and seem to take me to task=when I'm the only one driving this project to completion- I= the only one driving punch lists for months —not only the bank nee=s and tco - which at one point a few weeks ago might have had exposure of 2=m - which is down to almost complete

I =99m the one here daily like now -today - driving lighting contractor and ot=ers to finish projects - so we can make a Dec 2 tasting and finally open to=the public

David does nothing but procrastin=tion on any item given to him can't make a decision ever - does not=answer emails from others - never answers the phone -

I don't get it=?.
