For further clarification, I would suggest th=t we arrange a telephone conversation between Harry and our financial
advi=er Richard Kahn, who knows and understands the relevant circumstances very=well.

Dear Doddoy,

We understand that you want to live w=th comfort and financial security. We want that for you as well.

If you want to discuss Max stepping d=wn as Trustee, Harry would need to meet with you to discuss that. From our past experience, it's clear that a professional mediator would =e needed at this meeting.

At this point we don't feel c=mfortable approving Richard Kahn to replace Max as Trustee.

Subject: =C2♦ Marital Trusts

Back from Mexico, and there's some business I'd like to take care of.

I would like to arrange for Max to step down as trustee of the marital trusts. All that this requires is that each of you authorize him to do so. I've explained some of the reasons. There are others. In general, I want to make a clean break from what has been happening for the past few years. I would then like to appoint Richard Kahn as Trustee. As you know, he is the financial advisor/accountant I have been working with, extremely competent and trustworthy.

I hope this can be done quickly and expeditiously.

In brief, I've worked hard all my life and have managed to set aside funds to ensure your security and the security of your children -- the two houses, trusts, in substantial sums. Valeria and I are very happy together. I think I now have the right to live the rest of my life in peace and tranquility, without constant financial concerns, in fact like everyone else I know.

Those who remain. You have perhaps heard that my old friend Ed Herman died a few days ago.
