Apologies for my late reply.

<=div> I will be able to come on 27th February, basically not possible to=make it earlier, but I will stay until 2-3 March. In any way, it would be = great chance to meet potential private and institutional investors, L/S=equity managers, etc.

As per your request about my role in BCM, I am responsible for managing communication with shareholders, analysts, building relationships with existing and potential private and institutional investors=in the fund. I am also participating in the investors roundtable cap-intro=events, presenting the BCM to investors one-on-one. On the daily basis, I =m responding to clients' enquiries concerning performance of the fund =nd general market conditions.

From the organisational perspective, I am also working =n weekly and monthly newsletters of the fund, presenting quarterly resul=s, and, finally, assisting Dr. Chris in gathering the market data, etc. =/div>

Well, this is what I do.

Looking forward t= hearing from you.

Regards,
