Greetings all, i went to Tropical Marine, =rown bay Marina, and Compass point marina I did not see any boats worth =uying, nothing had good semi new yamaha engines, lots of boats were =unk or completely totalled. Ive been looking in the boat trader, but =everything is above 25,00 and we got to account for shipping. If ok with =E I would like to go Tortola on Satrursday to see if theres anything =sed worth buying.

Carlos.

Hello =ichard,
=nbsp;

Attached you =ill find the requested quotation for a new Yamaha F150 to replace the =eized engine that is currently here at Offshore Marine.

=nbsp;

As you can see = applied a discount already and also this quotation includes the basic =nstallation labor.

=nbsp;

This engine =omes with new gauge, control box, switch panel and propeller. Any =dditional parts or labor that may be needed will be invoiced =separately.

=nbsp;

Engine is in =tock and we can proceed as soon as we receive payment.

=nbsp;

Thanks again =nd I look forward to hearing back from you.
