Mr. Epstein,

I wanted to show you photos of two more veneer options with a pillow from your aircraft as well as the Dark Eucalyptus I sent you on Tuesday. My apologies, you may see reflections in the veneer samples. I look forward to receiving your feedback on these.

In addition, I wanted to show you the veneer we had on our G600 Mock Up as it was quite handsome and current. Pictured below is the G600 with the Zircote veneer. I have ordered in samples from our suppliers to finish for you to see. This species of veneer has a lot of movement within the log.
