Subject: Love you

I must be the luckiest girl in the world.

I will never be able to thank you and Karyna enough for helping me. I can't b=lieve you sacrificed seeing her for her to look after me. She has been amaz=ng! I have been thinking of things I can do for her and have a few ideas bu= for you... How do you thank someone for the entire operation, giving me the time to do i=, giving me your home to recover in, giving me advice for the op when I was=unsure, giving me Karyna to take care of me when you have been having a tou=h period on the island with the mess and I know it would have been valuable=to have her with you, giving me lyn to wash and cook for me, And being my focus and strength whenever I felt slightly scared in the hospi=al.

I love you with all my heart
