Yes I do the show and=it's a fun hobby project, but I'm doing it because I get e=perience with everything. It's a small production. I get to be inv=led with everything from camera and lighting to editing. I help design th= show and write the content, and I get to approve things before they get p=blished.

[REDACTED] also does it for imm=gration. She is here on a modeling visa so it is important to be able to s=ow work on camera.
