The cashmere from Loro Piana has an invisible Rain System already applied to the fibers of the fabric which protects from dust, dirt and liquid stain. It's just preventative. Won't prevent pen marks though.

I did pour some coffee and water on my sample here (see attached) it beads right up as they said it would and wipes clean.

Hi Jeffrey,

Attached are two cashmeres to consider for your divan end arms.

\* Image 1 and 2 (Loro Piana) is a great color and has the perfect visual weight to balance out the weight of the divan fabric.

\* Image 3 (Holland and Sherry) is a heathered look, slightly more refined yet complimentary in color to the rest of the palette.

There is also the option of covering the arms in the same fabric as the divan.

Let me know your thoughts and how I can help.

Best, Eileen
