**Subject:** Fwd: Zorro Expedition

Jeffrey.,

Brice had Steve drive him to the airport today using the new Ford Expedition, Brice indicated the rear bench seat that you usually sit in was not that comfortable,. see photos below I originally sent, the back rest middle section folds down, if you like, I can have middle bench seat replaced with captain seats? however, we would loose a passenger seat., or do you prefer to wait and see if you like the seating currently installed?

thank you,  
Larry
