i think yo sho=dl ask every three days

Hoping I del=vered on everything he asked - the Alzheimer work, the status of neurotech,=and my thoughts on a domain specific effort that could be game changing.

All are documented with presentations and were followed up in meetings with h= and Larry.

Now I guess it's a wait and see game. Suspect after a week or two if=I don't hear back then I should ask again. What do you think?

I'd rather move ahead in a positive direction with someone who enjoy= and understands brain science and wants to do something creative —= like Paul Allen.
