Subject: Proposal

Jeffrey, I hope Paris is treating you well. I know its cheesy but I wanted t= have someone sneak a video of me proposing to [REDACTED]. I know she would love=it. We have already done the solo romantic thing once. I have a spot in min=, a bench by the Eiffel Tower where we went a lot last year. Maybe we can g= for a walk through the park and one of the girls, yourself or even Woody (=hat would be beyond memorable) pretend to take a picture of us and ill give=her the ring while whoever shoots a video!

I know you're busy but I don't really have anyone else in Paris to ask to do=this and I think it would mean a lot to [REDACTED]!

Thanks,
[REDACTED]
