Hi! Last night we confirmed a studio recording with an stunning soprano to record a new aria Fred wrote. Its early 7:30-9pm on April 4. F really wants to see you, so is after that too late? Wanna join us somewhere to eat after? Wanna come to the studio? Fred will be playing the piano for the demo. Otherwise, we could have a visit anytime you want after the 4th. But if you can, the studio would be fun and I would love to have your input in the booth:). Tora and Miasha might come too. Its an awesome aria sung by a Vampiress who looks just like (better) Vanessa Williams from our day. ( The Miss USA that somehow had some haha nudie photos floating around). ANYWAY..what do ya think?
