We confirmed the #1 stall system works normal,. Gulfsream PBI is checking St=ll computer and AOA " angle of attack" probe., Part availability,,, Most likely the Part is located in Savanah,, I'd recommend flying to Savannah tomorrow accomplish your meeting th=n Dave could bring back the parts required to install in Palm Beach when yo= return to West Palm.

If you agree, what time would you like to depart tomorrow morn?

Thx  
Larry
