I f=und out it is the Wooster Table from Zara Home.

Zara Home has recently gone online in the US (They do not have any phy=ical stores). I called them as they did not have the table on the website.=They said the table is out of stock. They said they may receive more and I=could try again in a month but could not give me a definite guarantee.

I went on to the Zara Home website in Paris and they have in stock. I =an purchase online and they could be delivered to the Paris house in 10 da=s. Perhaps Valdson could then Fedex them.

With this lead time ho=ever I do not think they would make it down to you for this trip. Probably=only the May trip

Do you want me to go ahead and purchase from Zara home in Paris?
