There was a call scheduled for 4:00 pm today as between management and the =ccounting people at IGY and your acctg people who have been tendering the =uestions and collecting data. I am told that they did not call at the appo=nted time. Management has told me that they have left several messages for=your guys now but that they have not heard back. I certainly hope everythi=g is ok with them. Just so you know that they are ready with the data that=is responsive to all of the inquiries they understand to be open at this t=me.
