I was thinking of emailing him saying I am in Mexico and asking him to email me questions and I would consider talking to him on return. Or I was thinking of simply not responding. If you think I should talk to him I will consider doing it.

Also, ASU is just returning the freedom of info stuff on my research funding that they requested today so they won't have it for a few days.

On the plane with Nam to Mexico. Just got a call that my daughter was laid off from her job and during that call a call came in from the reporter, which I didn't answer. He left a message saying he was happy to talk and would call me back. He sounded a bit flustered. What should I do? Sigh. Lots all at once.
