Hi Jeff

Have you ever read "The Enchanter" Someone just sent it to me =abokov wrote it as a short story in Paris in 1939. As ????????? =Volshebnik it was his last work of fiction written in Russian. =abokov never published it during his lifetime. After his death, his son Dmitri translated the novella into English in 1986 and it was published the following year. Its original Russian version became available in 1991. The story deals with the ephebophilia .

I thought it might be worth reading

Best regards
