Subject: Important information for 2013 Global Conference attendees

<<http://milkeninstitute.org/e=ails/gc2013/images/banners/GC2013EmailBanner800x100.jpg>>
Dear Jeffrey Epstein:<=p>

Thank you for registering for the 2013 Milken Institute Global Conference. You must now make your panel choices and let us know if you will be joining us for lunch.

PLEASE COMPLETE THE ONLINE PANEL SELECTION TOOL by April 24<=strong>. The tool helps us determine demand for each session and allows us to assign the most appropriate room to create a comfortable experience for all attendees. A number of sessions will be simulcast live, so if one is full, you will still be able to watch it.

Our Online Panel Selection Tool helps you map out a custom conference experience that suits your needs and interests. To begin, click here or copy and paste this link <http://milkeninstitute.org/events/plannergc13> <<http://milkeninstitute.org/events/plannergc13>> into your Web browser.

Please note:

- * To begin, enter the email and password provided below:
Email: jeevacation@gmail.com
Password: [REDACTED]
- * Be sure to click "Submit" after filling out your selections. They will not be recorded and we will not have confirmation of your choices if you do not click "Submit."

Tickets are required for seating in the ballrooms for lunch and will be issued only to those who use the Online Panel Selection Tool. Lunch tickets indicating your ballroom assignment and seating time will be available at registration check-in. Tickets are not required for dinner, but please indicate whether you will be attending.

Indicating your session preferences with this tool does not guarantee admission to any given session. If you experience any problems with the tool, please email conferences@milkeninstitute.org <<mailto:conferences@milkeninstitute.org>> or call [REDACTED].

Please keep this email in the event you wish to return to the panel tool to change your selections.

Thank you in advance for your time. We look forward to seeing you at the conference.

Regards,

Bryan Quinan, CMP
Director, Events
Milken Institute
