Hey all, Jeffrey's in Cambridge on the 6th and on the 27th of April. I'm =ut of town, but if you're around, it might be worth meeting.

Jeffrey, Ed and Hugh are working on the Center for Extreme Bionics which =ould probably be interesting for you.

I'm also adding Nicholas and Marvin to this thread since they're now =oth much more engaged at the Lab than they have been before I came and = know you know both of them.

But lets also definitely plan a trip when I'm in town and I'll try to =unt you down in NYC as well.
