Subject:	AMH Debt Decisions

Hi Jeffrey.

On this morning's executive committee call, Leon mentioned that you (or his=tax advisors) need a week or so more to consider whether to "amend and ext=nd" the whole 728m of current publicly held AMH debt or buy in through an =ffiliate roughly 228m of the 728m and amend and extend 500m. Let me know =f I can be helpful in your consideration of that issue. Fyi, the partners=agreed not to pursue the personal guarantee strategy at this time.

Regards
