here is a short stat=ment:

With regard to the sugg=stion of impropriety made by an abserver to a selfie being taken. =A0 in Australia in Nov 2016: This suggestio was thoorighly reviewed 2 universities with whic= I am associated and both independently came to the same conclusion. There was no evidence of any inappropriate conduct, and evidence that the claim was both false and fabricated, and therefore defamatory. =A0 Upon a request from Buzzfeed about this to one of these institutions, they were informed of the institutsins fin=ings.
