Bespoke shoes by George Esquivel: hand made in USA, beautiful (though =he selection on-line is not terribly enticing)  
<http://esquivelshoes.com> = own a few brogues by him that I love

I really think they should all be wearing at least thematically similar =utfits when you go around to conferences with them, or when you have =uests over to the house. It would be extremely chic/obnoxious.

When you're traveling it's a different story. Or maybe it's best to have = mall army of attractive women in uniform following you around WHEREVER =ou go.

I thought of a few brands. If you need visuals let me know sweet boyish suits from Band of Outsiders Swiss tailoring, pretty conservative and sleek from Akris American sportswear tailoring, very straight forward and elegant by =erek Lam or Jil Sander, which is timeless and classic, though once it gets into =he stores might be a bit boring.

I know you could engage any of these brands to design capsule =ollections for you if you really wanted to.

But of course Valentino is the best.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
