We have solved the issue with [REDACTED]'s account (I also had [REDACTED] call customer service and they said her account is on now!) , but looks like now your PayPal account has been temporary blocked=because too many attempts were made to make the wire. Bella is asking if it's ok to wire on Monday? Alternatively, I can try to wire from my account. Other options: westernunion (commission 12 or 13 percent) or a banking wire. Please let me know!
