Good to hear from you, how are things going? Interested to hear about the progress you've been making.

Dear Dick,

I hope this mail finds you well and I am sure you have nice sunshine in California than we have here in miserable London....

Just wanted to catch up and see how you are?

Our business in China is moving forward very well and we are finalising the products for end of year launch.

As ever, I do hope we can do something together in the not too distant future.

Always an honour to listen to your advice and guidance.

All the best,  
David
