the place is looking quite messy, from the mats in front of the flagpole pool, to the engineering area, the boats especially mine, teak, black strips are falling off. the service road needs to be graded, after yesterdays work, and the trees at main pool need more dirt and there are wires laying out. We need to find a way to stay on top of the cleaners. the dirty glasses in the movie room were not taken away, and I am not sure anyone actually cleaned in there, so lets discuss these things in the morning thanks,
