Hi Rich and Jeffrey,

The Foundation Center explains below how they use the 990 tax form. They enclose a sample image of what they block out etc. Thanks for letting me know if I can forward it over to them-- to proceed with getting the foundation listed.<=div>

Thank you,

Hello,

Regarding your question on the 990 forms

For my internal purpose, I use the 990 to confirm ein, and tax status. We also use some of the financial figures from it to populate the organizations Foundation Directory Online. Fields we use include: Assets, Expenditures, Total Giving, Contributions received, etc.

We usually also post the 990 on Foundation Center [<u>http://foundationcenter.org/findfunders/990finder/<u>](http://foundationcenter.org/findfunders/990finder)

When a 990 is posted here, we will black out all areas where a personal home address or social security number is listed (usually found in the tax preparers area or listed on a grants list, if grants are made to individuals.)

Below is an example:

We can also customize pages that you want removed entirely or sections you want blacked out as well.

Hope this helps,

Linda
