Subject: tell me :)

Darling my meeting with Fred and his wife was quick and clear, to resume he just start his agency 8 months ago so maybe this is the =eason why you didn't hear from him since MC Square.

He want to bring me to agencies on friday, it's a good timing because =ou re leaving in Paris so I ll be free for you tomorrow.

Then I have a diner with him, another model from his agency Ophélie =she is in Marylin Agency) and other people.

I asked me the same question as yours, if I wanted to be famous or to =ake money.

Of course I want to make money, but inside I feel like i need =recognition" (i don't know if I use the good therm)

Well he told me I can make a lot of money in Miami, he can also place me =n better agency in paris, in another in Germany and also Barcelone.

To tell the truth agencies in europe sounds good. With a lot of agency =round the world maybe I will work more. I was i little perplex on Miami, and I told him, when I hear "Miami" it =ounds like cheap in my head.

I want to be respect for my job at list, but he told there is nothing =ike that I can also make good job overthere.

He also told me that I will be good in commercial job but my thought are = am totally not commercial, i m like anyone and I thought I have to =focus my carrere on cometice beauty/body and perfums.

Well you know better than me, i am not objectiv.

Yesterday you ask me what I wanted to do, I really want to meet your =riends, Antoine (if am right) the nude photographer, do pictures with =im and men of his kind, and also the men who realize Forest Gump (I don't remember his name) I really want to meet interesting people to grow up a little more and =ractise my english of course.

Missing english vocabulary doesn't make me look smart enought. ^^*

Visiting NewYork is not my priority but I really would like to see the =standard, and pass in front of the Studio 54 and the Paradise Garage.

Well if you heard that their is a good place to dance on house music =like the Dj Larry Levan, he is dead but house music still alive) I really want to go there to keep my body fit, I will not be able to =tay alive one week if I do not go dancing one night, it's my drug. :) = This is it baby, i am really happy to be in NewYork, this morning I =hought I maybe want to live here for real... will see !
