Are you available to talk today? I think things are being lost in translation over email.

You have known me for 18 years and I have only ever done what is right for you.

I am just looking for clarity so we manage the portfolio in a way that works best for you. Randi and I are in Europe from Thursday 28th – July 8th and so would like to be on the same page with everything.

That was my preference only if my overall equity performance going forward be based solely on how I trade the \$9mm. If that is not the case then I would never recommend selling everything.

I made the mistake of not clarifying how we handle the legacy positions and would like to avoid a similar situation.
