Hi Lesley, et al,

I wanted to check in on Jeffrey to make sure all is well post skin =iopsy. As I've said, he can expect a small scar and should watch for =ny signs of infection/bleeding.

Second, I also wanted to make sure he fully completes pgp enrollment =nline. It's very important for us to proceed. He's completed the exam =exceptionally well I might add; he clearly has a knack for this info) =ut he still needs to log in, review the consent form, and assent to it =lectronically. (We did go over everything verbally in person though.)

Give him my regards and feel free to contact me with any questions.

Best,
Joe Thakuria=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN"
