Dear Jeffrey!

I hope all is well in your world. It has been such a long time since we hav= connected. I just want to say thank you for the lessons of the past and w=at not to fall prey to.

I would really appreciate it if you could contact me directly and let me kn=w if there is anything out of order with regards to our relationship of th= past in terms of fair exchange.

Life is showing me a red light once again but this time I appreciate what n=eds to be done and have a few more tools other than my physical being with=which to address the tension and needs driving that force between my polar=opposites. I find my self seeking true equilibrium and would appreciate yo=r attention to the checks and balances in relation to what we both aspire =o be.

Thank you and best regards,

Francis.
