Ok Jeffrey

I will send you plans and details about the sale real soon.

Regarding landscape on islands I'm traveling to Namibia now for a potential project then I'm going to FRANCE for two weeks to join vacation and work. So I'll be available to come after the 28 of July.

Best,

Hi Jeffrey

I hope LSJ and GSJ are recovering. Let me know whether you want to touch base with me about your project on the island as we already went through good design and ideas !

Also this is very confidential, but would you like to make an investment in St Barth ? I have been in touch with an owner who is selling a land front beach where a luxury hotel could be build. The opportunity is unique as there is no such land anymore on the island. I already draw a project and mood board as the owner ask me to in order to give ideas to potential investors. The land is 12 000 m2. And a 38 bedroom hotel plus villas is possible.

Hopping you are well,

Kevin
