Subject: Re: your crazy scientist friend in the news

some closely related species succumb to this entropy 10 times faster than others some organs in the same body 10 times faster than others

some cells in our bodies escape it all together -- there is mysterious act of cleaning of all that "entropy" when two old cells fuse to make a new organism ...

I think we can get a handle on it and reign it in and we are not far from it.

If you excuse a bit of self-advertisement, I think it is a nice read.

This reporter was surprisingly pleasant to work with contrary to many previous experiences ...
