I'm having a great time, but you know grumpy old Woody. He's having a very hard time adjusting. He hates the sun, our house, where it's located, the heat, the country, the drive everywhere, etc. etc. etc. There isn't enough room in this unlimited iCloud to get into it.

We are now in London, in a city, so he's doing better. We're then going to Paris and I hope I'll be able to get him back for the shoot in the South of France. I know he will want to stay in Paris. You will find this funny, when we're in Paris I have an appointment with a jeweler called Jar. I might be spending the film budget there or the kids college tuition. Woody says we should try buying the floor samples.

We hope you're doing well and enjoying your summer.
