There is approx 110 feet wide space for a hanger, if the old port authority build area demolished. There is plenty of depth.

I'll check my notes, if I remeber correctly, a 100'x120' hanger would house a GV and S76 heli,.

The GIV and Bell430 is smaller, maybe a 100x100 hanger is adequate, I'll research further.

Thx

Larry
