I hope you are feeling better. [REDACTED] I am very concerned ... you are great, smart etc, I fear it appears that you have fallen into very bad habits. you have stopped exercising ( though I see the bill for the gym is still being paid .) . you spend most of your day on your phone , texting , boys , admirers friends new friends.. girls and not taking your future seriously. . I want to continue to make all efforts re your visa and your future , but , . i need your help. I cant force you succeed against your wishes. . I think you should take ballet every day two times a day. I think you should put away your texting for one month I and their problems will not make your future life nicer. . you continue to make the same mistakes . wanting to believe what you want to believe as opposed to reality of life. I will do what i can to help. .
