I had a 45 minute conversation with Larry beginning at 3 P= pst. Many questions were raised and Larry kindly said he would g=t back to me. I told him that this reminded me of the story where the w=man walked in to find her husband in bed with her best friend, upset she ran quickly over to the side table, =rabbed a gun from the top drawer , pointed at her own head, and said=, after i shoot myself, i will shoot both of you. Larry didn't find=it that funny. I cautioned against memorilizing preliminary ideas in writing as a written record is usually extremely coun=er productive. Larry said we might be able to sepearate the timing of =initial email from the ultimate mechanics. A good idea for many reasons= The idea of a new investment fund, Larry understood , and immediatley grasped the difficulty if Bill were =ot to be involved. I confirmed that I will come on Aug 8, Larry =uggested skype before. ? We talked about level of help Bill was willing=or able to agree on, and I asked if he could better define the future restrictionsfor me. Loyalty and friendship =ere are both paramount and obvious, though- Larry in response to a dir=ct question, and much to my surprise and considerable dismay, stated tha= "Yes, Boris had done something improper. ".
