Hey,

1. Glencore CIO has rescheduled 2&nb=p;times in the past weeks, 1 call misconnected. Still on them.
2. Hav=n't spoken to O.D. yet (his travel), in close contact via assistants, hope=to meet within this week.
3. Got an offer from large coal company (<http://www.suek.com/>) to run special projects, ini=ially revolving ecology. Great team, not the best topic for me. May be a good start. No fixed hours, can do other stuff as well. Have 2 week= to make up my mind.
4. Entrepreneurial wise - complete local ab=ence of business development specialists for international markets for sta=tups \ mid-size established companies. Usually teams here are solid engine=rs, but no clue on where to apply tech and how to sell abroad (I am interested in EU and UAE). See some opportunities here. Working on t=is idea.
5. Ab-Inbev promised to get back to me with final offer or r=jection for Global Procurement team (best team in the world supposedly), b=t not that interested in them. Want to do more local \ international stuff=here.
6. Seeing a locally based PE\VC fund that does international st=ff this week. Like one of the partners (Wharton guy) and see if there are =ossibilities there.
7. Not looking into any corporate things at the m=ment.

Other potential things aren't interesting at all. Greatly glad to be h=me. Going to come over?

Regards,

Max
