Hi Jeffrey

Thank you for =he call today...I apologise for cutting the conversation short. I want to feel free to express who I am even if it means I'll be a=little miserable going through this adjustment. I want to figure out what =productivity level works for me and not have it manipulated through somethi=g that pushes my buttons. My relationships of the past to date have all be=n a trigger and I would like time to talk about that to figure out what l=;s out of place in my life so as to know how to rectify imbalances. There =ere things about me back when we first met that still somehow seem unresol=ed in my mind that I would appreciate the chance to talk about and resolve=..the checks and balances...so to speak and what will allow me to move for=ard with clear consciousness...that is going to have to take me back on a =ong journey of exploration and de construction because I want to re constr=ct my character so that it is more solid. I hope we can get a chance to ha=e that kind of heart to heart...revisit the past and figure out why there =ay be imbalances and how to work on getting them straightened out.

Thank you for taking time to try and be of service with regards to how =important health is.

Best regards,

Francis.
