Hi Jeffrey,

Can we meet? I'm distressed over the results. They are s=ill volatile. Today there are 2 negative listings. Yest=rday, 5. I'm waiting for them to settle.

I don't want to was=e your time and finances.

A few months ago, I got you down to 1 neg listing on both national and lo=al results. That occurred after listing you with dozens of business dire=tories.

I then changed all of the website t=gs and sent results into a frenzy.

According to Google Webmaster, 8 out of 9 websites are =ully optimized. But the results have yet to reflect that.

If you approve, I'd like to set u= a conference call with an SEO company to review strategy and the qual=ty of the websites. I want to see if they offer anything unique. I'd l=ke to screen a couple of them first, send you info on what sounds best-- before setting up a call. Two that l=have in mind are Netmark and Digital Whiteout (you mentioned the latter to=me).

Is that okay?

Items that I am focusing on this week:

foundation center-- critical</=iv>

2nd wiki article--critical

Ntl. Revie= article--critical

According to Google Webmaster: the .org site has crawl errors. E=ery other site is working at an optimal level.

Google ad word campaign. (this is Google advertising i= the right column of the search screen).
