Jeffrey

I apologize but I overstated the returns. The Sept Merrill account statement was wrong and understated the account by \$2.5MM (the= duplicated a debit to pay for a structured note and the cash was sitting i= a settlement account which is not included on the statement). So I used a starting account balance that w=s too low. This was corrected in October.

Corrected:

1st Oct Starting Account value (ex apple):=	&nb=p; \$170.28MM
Current Account value (ex apple): &=bsp;	= \$171.6MM=u>

Change \$1.320MM or 0.78%

Attached is a listing of all my trades (both open and=closed).

Paul
